## **Eye Exam & Office Policies**

**Routine Eye Exam** A general screening of overall eye health with no medical problems or complaints.

**Medical Eye Exam** An exam where you are being evaluated for and/ or treated for a medical condition or symptom that you describe to our staff, or a condition that the doctor finds during the examination. Examples include: headache, diabetes, eye irritation, dry eyes, allergies, contact lens intolerance, glaucoma, cataract, macular degeneration, etc.

**Vision Plan/Benefit** Typical coverage includes an eye exam once every 12-24 months. <u>This benefit is only used for a routine exam and not to treat any medical eye issues.</u> If the doctor identifies an eye problem, disease, or injury, your visit will be billed to your medical insurance. You will be able to use the routine benefit at another visit.

**Contact Lens Exam** Contact lens exams have a fee associated with them, in addition to the exam fee.

**Refraction** This test provides information about the function of your eyes and may alert the doctors of any problems that may be related to a decrease in your vision. This test is also necessary if you wish to get an updated eyeglass or contact lens prescription. If you do not have routine exam coverage or a separate vision plan, or if your plan does not cover this service, you are responsible for this fee in addition to your other insurance policy fees.

## This \$50 fee is due at the time of your visit.

**Insurance** You authorize the payments of insurance benefits be made your behalf directly to Eyesight & Surgery Associates for any service provided to you there. You authorize release of any medical information necessary to determine those benefits. You are responsible to notify our office of any changes with your address, phone number, or insurance information. It is your responsibility to know the details of your plan, including deductibles, co-payments, and vision coverage.

**Financial Agreement** You are financially responsible for any charges for services provided. If you have out of network benefits and the provider is out of network, you are responsible for higher co-insurance, deductibles, and co-payments. If you choose to have non-covered services performed, you are responsible for the full fee. If your account is sent to collections for lack of payment, you are responsible for payment of your provider's expenses incurred to collect the past due amount, including without limitation, attorney's fees.

**Referrals** You are responsible for obtaining your insurance referrals, as required by your insurance policy. If your insurance denies your visit, you will be responsible for unpaid balances. It is you responsibility to know if your policy requires a referral.

**Co-payments** Co-payments are due at the time of the visit.

If you ask to be billed, there will be an additional \$5.00 fee.

**Returned Checks** There is a**\$25.00 fee** for all returned checks, for each occurrence. We reserve the right to no longer accept checks as form of payment from any person whose check does not clear. Checks that are returned for closed accounts will be reported to the authorities.

**Missed Appointments** We require that you call our office at least **24 hours** prior to your appointment if you need to cancel /reschedule an appointment. We may discharge you from the practice for multiple missed appointments.

There is a \$20 fee for any appointments you miss without providing notice which must be paid before scheduling another appointment.
